Opened meeting at 6:30pm

- **Minutes of Oct. 9** were approved.
- **Treasurer's report** was approved. The operating account balance was \$3,873.41.
- **Land issues**
 - **TBV:** Mark is writing a letter to the neighbors explaining use and misuse of the property. The dedication of the SiNaVSpunk trail was a nice gathering. Trail work is coming along.
 - **Leovich Landing:** very active area. Compliance certificate received. FRC paid \$1100. Signage and upgrades will continue in the spring.
 - **Hiland Park:** surveying continues.
 - **Lot M:** still outstanding balance of \$3,813.
 - **Slater Woods:** Para is working in the area. Many issues for adjacent properties (cart paths, quarries, etc.).
 - **Keekamoochaug:** dedication was a nice event, and the Grouts were very appreciative.

Follow-up

- **French River Connection:** Water monitoring is done. There was low water most of the year, some record lows. Public hearing on Webster River Walk completed.
- **Dudley Daffodil Days:** thanks go out to Chet, Elaine and Visha for a successful sale!
- **Special Board Meeting:** officers were chosen –gee, they are the same people as last year! Go Figure.
- **Public House:** we have been approved for a dinner on December 12, 2011. Turkey!
- **Mailing lists for Slater:** each person took a slip of names to contact to solicit donations.
- **Spring Plant Sale:** Visha and Elaine are looking for ideas.
- **Library book donation:** our book on history of conservation has been delivered!

For Consideration

- **Special board meeting:** 5 year vision. Winter?
- **Newsletter:** dedications and pictures (2-3) paragraphs. Slater Woods focus. Expect it ready in late November – 25th is deadline.

Next meeting: December 21

Meeting adjourned – 7:37pm.
