*We've recently completed energy and weatherization improvements. We'd love for you to come hear our story! We'll guide you on an informal tour of our project. Meet our contractor, who will be happy to answer your questions and will show our results with an infra-red camera.*

## Green Sneakers Project

Walkin' the Talk for Smart Energy Solutions

Green Sneakers, Maine Partners for Cool Communities' signature program, delivers smart energy solutions directly to the doorsteps of Maine homeowners, neighborhood by neighborhood. Our grassroots activities support Maine's aggressive energy goals to reduce the state's dependence on heating oil and other fossil fuels, mitigate greenhouse gas emissions, and build a clean energy economy. Some of our activities are:

- House Parties
- Future Homeowners/ Community Leaders student project
- Community Forums
- Home Walk Thrus
